

## WICHTEL UND DIE WUCHTELN

ROSA BARBA, JAN ST. WERNER, INGRIED WIENER, OSWALD WIENER, KLAUS SANDER, ANJA THEISMANN, DOPPELQUARTETT DES MÄNNERGESANGSVEREIN ALPENLAND MARIAZELL

"The Cologne-based publisher supposé presents the best and the most interesting audiobooks. This two-track piece pleases us due to its experimental and exciting character. Whereas the first song still is a dragging piece given by a double quartet of the men's choral society Alpenland Mariazell which reminds of the wrong-way driver-like reference piece 'the ritual', 'Wunderschöner junger Mann' (wonderful young man) is like a hidden track or lost song of 'Die Doraus & Die Marinas': a blessing which Lucyna and Megumi grant to us. If the 'Neue deutsche Welle' had consistently displayed such an impact, it wouldn't have degenerated via the 'swindle' effect to a 'flogging a dead horse' sellout that fast, as it occurred twenty-five years ago! Strapline: charming musical quickies which whet the appetite for more!" (Ágota König, Das dosierte Leben)
